

REBEL BASEBALL VOLUNTEERS

Thank you for your interest in supporting Lee Rebel Baseball.

Our volunteers play an important role in helping create a great experience for our players, families, fans, and community. Volunteer opportunities are primarily available during the **spring baseball season**, so our current opportunities and sign-ups will be updated as the season approaches.

**SPRING VOLUNTEER OPPORTUNITIES WILL BE POSTED HERE
AS THEY BECOME AVAILABLE.**

Want to volunteer in the future?

You do not have to wait until spring to let us know you are interested. Email the Rebel Baseball Booster Club and ask to be added to our **future volunteer list**. Please include your name, phone number, and the best email address to reach you. When volunteer needs are announced, we can use that list to help connect interested supporters with upcoming opportunities.

Stay connected through the Booster Club

You can also **join the Rebel Baseball Booster Club** to stay connected throughout the year. Booster Club members receive periodic program updates and information about ways to get involved and support Rebel Baseball.
